Pneumonia still prevails to almost an alarming extent in this neighborhood.

MORANBURG.

Miss Jennie Kerr was the guest of Miss Lena Frisbee of Maysville Saturday and Sunday.

There will be a called meeting of the S. of T. to-night. All members are earnestly requested to be present.

There was no service at the Christian Church Sunday morning. Elder William Hall preached in the evening.

Many of our young men and ladies are winning under the effect of some beautiful valentines they received last week.

Professor Martin, teacher of the Jersey Ridge School, has had a two weeks tussle with the grip. He has about recovered and will begin school again tomorrow.

The S. of T. will give a masquerade party at their hall Friday evening. Many invitations have been given out, and it will no doubt be an enjoyable occasion. Let all who have been invited attend and have a good time.

As THE LEDGER's former correspondent at this place, Matthew Hoffman, has moved out of this neighborhood, and no one has as yet taken his place, we venture to send in a few items this week, as our people like to see news from our place in the paper. If this first adventure proves successful we may try again soon. Any one having news that they would like to put in THE LEDGER will confer a favor by leaving it at the Postoffice.

The large dairy barn of Mrs. M. Nute was destroyed by fire near Mt. Carmel. A crop of tobacco and a large quantity of food were consumed. The incendiary was followed in the snow to the pike, where his tracks were lost. There was no insurance.

The Newport Grand Jury will report an indictment against the C. and O. Railroad. It is being drawn in accordance with a clause of the new Constitution providing for the recording in the County Clerk's Office of the proper and legal title of all corporations and companies doing business in the state.

ALEX PENDELUM, held at Flemingsburg for stealing geese, has been returned to Bath county, where he is wanted for a dozen robberies. His house was searched Saturday, and a complete outfit of burglars tools discovered. He is a desperate character, and figured in the Rowan county feud several years ago. He is thought to be the leader of an organized band of thieves who have been terrorizing Fleming county for the past six months.

JOSEPH V. DORY of Warsaw, Ill., was troubled with rheumatism and tried a number of different remedies, but says none of them seemed to do him any good, but finally he got hold of one that speedily cured him. He was much pleased with it, and felt sure that others similarly afflicted would like to know what the remedy was that cured him. He states for the benefit of the public that it is called Chamberlain's Pain Balm. For sale by Theo. C. Power, Druggist.

JOHN L. HINDRETH, a native of Bourbon county and a California "forty-niner," died at Pueblo, Col., aged 70. He started across the plains with Joseph Smith the Mormon prophet for a guide, but suspecting treachery got rid of him. He was one of the party that discovered the victims of the Mountain Meadow massacre. He had many thrilling experiences as a pioneer throughout the West, amassed three fortunes but lost them, and for twenty years had been living quietly in Pueblo.

ALBERT FAVORITE OF ARKANSAS CITY, KANS. wishes to give our readers the benefit of his experience with colds. He says: "I contracted a cold early last spring that settled on my lungs, and had hardly recovered from it when I caught another that hung on all summer and left me with a hacking cough which I thought I never would get rid of. I had used Chamberlain's Cough Remedy some fourteen years ago with much success, and concluded to try it again. When I had got through with one bottle my cough had left me, and I have not suffered with a cough or cold since. I have recommended it to others, and all speak well of it." Fifty-cent bottles for sale by Theo. C. Power, Druggist.

NASHVILLE, TENN., March 6th, 1893.
The Stockton Medicine Co., Nashville, Tenn.—Gentlemen: It gives me exceeding pleasure to speak of your Antiseptic, as I consider it something wonderful in the way of medicine. My old servant Albert, who is 72 years old, was very sick with pneumonia, complicated with heart trouble and dropsy. I called in my family physician and gave him every attention, but the doctor finally told me there was no hope, and the only thing that could be done was to make him comfortable until the end. At this point I decided to give him Stockton's Antiseptic, as it seemed to be performing almost miracles for others. It was given in regular doses every three hours and the fever began to decrease from the first dose, and a decided improvement was noticed the first day. In three days he was sitting up and in a week he was back at his work as usual, and is regaining his strength very fast. I conscientiously believe it saved the old man's life. Respectfully yours, FRANK SEARIGHT, No. 3 No. 3 Block.
